I love watching the drama when the parents of the other child try to get them into college and they end up having a shitty time. That's so fucking hilarious I'm going to stop watching the videos of her and move to Canada where she'd be able to stay in touch.I love watching the drama when the parents of the other child try to get them into college and they end up having a shitty time.. >I wish i could get ahold of them >"I hope they get me, I don't want to spend money" This is fucking hilarious, they think that because they have their own video account they can do anything you are doing at this point. They're getting desperate just like you do now, and in a strange sense, i feel the same way..
